

Coordinated Care Accountable Entity Pilot Program Announcement: Round 3 Pilot Opportunity

May 18, 2016

The Rhode Island Executive Office of Health and Human Services (EOHHS) invites applications from provider-based entities interested in participating in the **Coordinated Care Accountable Entity (AE) Pilot**.

The Coordinated Care Accountable Entity (AE) Pilot program is part of a broader initiative by EOHHS to promote and support the development of integrated multi-disciplinary Accountable Entities capable of providing superior health outcomes for Medicaid populations within value based payment arrangements. The pilot is an opportunity for early learnings toward a more rigorous certification process currently under development at EOHHS. The timeline for Full AE Certification is currently under consideration and will be communicated as soon as it is available.

To date, this program has had two application rounds – with a first round of applications due November 13, 2015, and a second round due January 26, 2016. EOHHS is pleased to offer interested parties a third opportunity to participate in the AE Pilot Program. EOHHS does not guarantee that any further application opportunities for the AE Pilot Program will be made available.

Specific deadlines for this newly added application round is as follows:

Pilot Round 3

- Friday, July 1st, 2016
Round 3 Pilot applications due
- Friday, July 29th, 2016
Round 3 Pilot Eligible Entities designated

Applicants should follow the application requirements as specified in the Round 1 & 2 AE Pilot Program Application currently available online:

- AE Application
<http://www.eohhs.ri.gov/Portals/0/Uploads/Documents/AE%20Pilot%20Application.pdf>

In addition, applicants should consider the most recent AE Pilot related EOHHS guidance:

- Governance Clarification
