

LogistiCare Introduction Meetings for Medical Facilities

LogistiCare is the most experienced Transportation Management Company in the country.

Please join us for an informational webinar to learn more about LogistiCare and the services we provide to Rhode Island Medicaid recipients and the Elderly Transportation Program.

LogistiCare (LGTC) has been contracted by the Rhode Island Executive Office of Health and Human Services to manage **Non-Emergency Medical Transportation (NEMT) services and the Elderly Transportation Program starting May 1st**. LGTC has scheduled a number of webinars for facilities to explain the up-coming transition and answer questions. The webinar will take no more than 60 minutes. We will cover topics such as:

- What is changing May 1st?
- What is LogistiCare and what does it do?
- What types of transportation will LGTC manage?
- Which members are affected?
- How and when do I request NEMT services from LGTC?
